Introduction

Petru Luhan

Company Founder

Our Commitment

"We understood from the very beginning the importance of creating a true long-term partnership with each client—one in which they know they can rely 100% on our seriousness, responsibility, and expertise."

About Us

Founded in 2014, EMAS is specialized in non-reimbursable funding, business strategy and renewable energy development. We provide end-to-end solutions for renewable projects, from permitting to construction. With over €1.5 billion in developed projects, we ensure seamless access to European funding and strategic growth opportunities.

EMAS ACHIEVEMENTS

5200+ clients

**Partners from 12+
different countries**

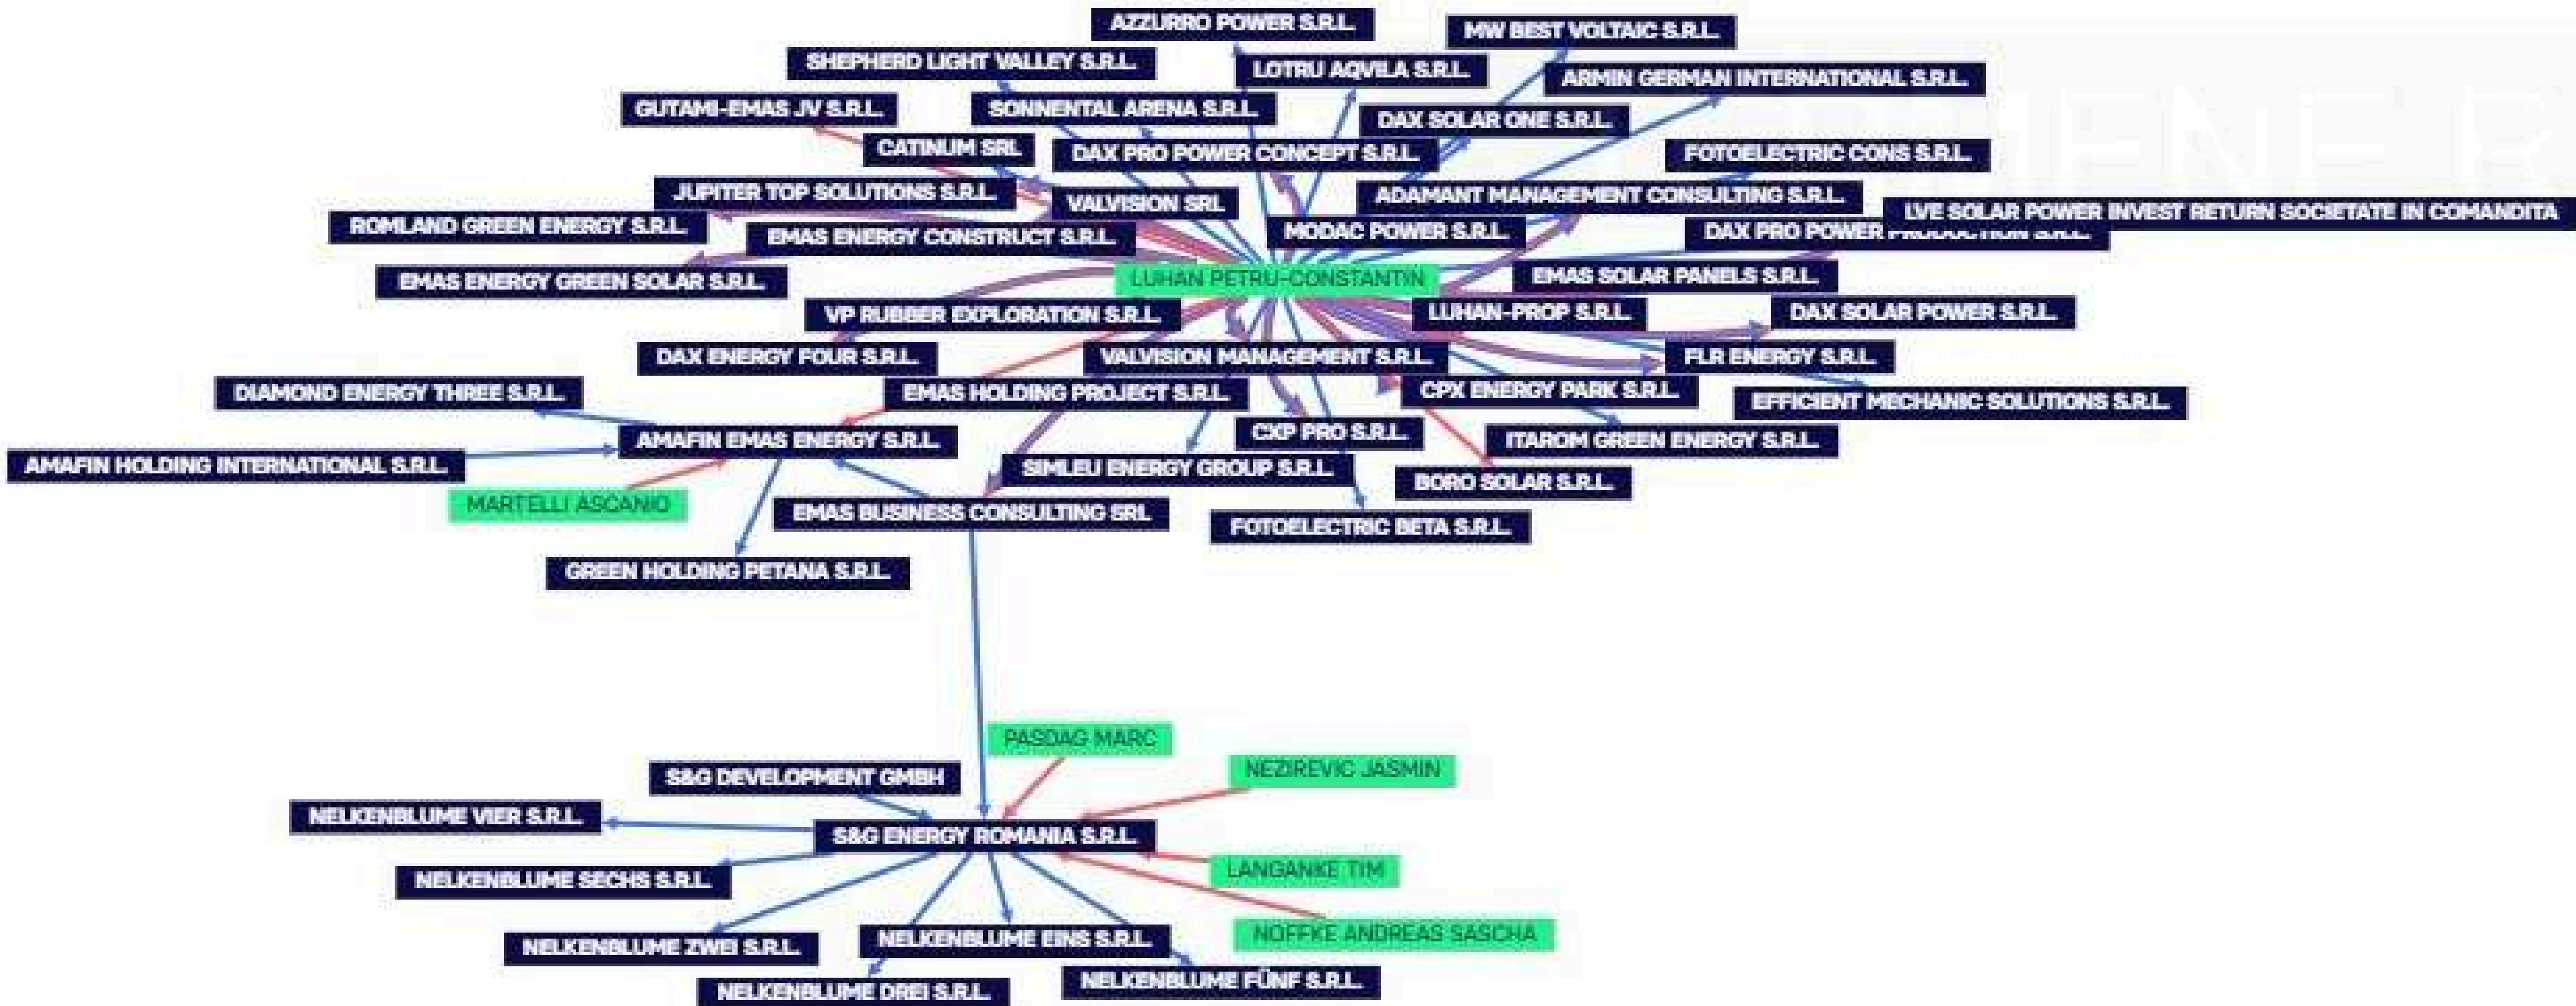

**1.5 billion €
financed projects**

**140 PV and 60 BESS
projects developed**
